REF.	5501
CAL.	9721
DIMENSIONS	56 mm
CIRCA	1980
ORIGIN	Switzerland
LIMITED	37/500
WEIGHT	148 g
ORIGINAL BOX	

Only 500 pieces of this striking and highly complicated pocket watch in an 18 K gold case were ever produced. The hand-skeletonised and elaborately florally engraved bridge movement caliber 9721 is fitted with a Glucydur screw balance with index spring fine adjusting system and shock protection and has an adjustable full calendar with moon phase display, date, day of the week and month. In 1984 the price for this watch was 79,000 D-mark.
